DETERMINATION OF CUSTOMS VALUES OF FRESH GINGER AND FRESH GARLIC UNDER SECTION 25A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO. 1587/2022)

C. No. Misc/14/2013-I/1004.

Dated: 05-01-2022

In exercise of the powers conferred under Section 25A of the Customs Act, 1969 Customs values of Fresh Ginger and Fresh Garlic are determined as follows:-

2- **Background of the valuation issue:** Earlier, the customs values of Fresh Ginger and Fresh Garlic were determined under Section 25A of the Customs Act, 1969 vide Valuation Ruling No.1486/2020 dated 13-11-2020. The Valuation Ruling was more than one year old and representations from various traders have been received in this office for revision of customs values in view of fresh market prices. In order to re-determine the import values of subject goods, an exercise was undertaken by the Directorate General of Customs Valuation in terms of Section 25A of Customs Act, 1969.

3- **Stakeholders' participation in determination of Customs values:** Meetings were held on 16.11.2021 and 22.12.2021 with the stakeholders of subject goods. All Pakistan Ginger & Garlic Importers & Whole Seller Association contended that the existing customs values are on higher side and that due to bumper crop of ginger in China and Thailand, the prices of said items have gone down which are sold in frequency at the local retail level for domestic consumers. They also contended that the local market prices have also gone down. The stakeholders were requested to submit the relevant import documents including Sales Tax invoices.

4- **Method adopted to determine Customs values:** Valuation methods provided in Section 25 of the Customs Act, 1969, were duly applied in their regular sequential order to arrive at customs values of subject goods. The transaction value method as provided in Sub-Section (1) of Section 25 of the Customs Act, 1969, was found inapplicable because requisite information was not available as per law. The wide variation of declared values displayed in the import data as available on record also strengthened the aforementioned fact. Hence requisite information under law was not available to arrive at the transaction value. Therefore, identical / similar goods value methods as provided in Sub-Sections (5) & (6) of Section 25 ibid were examined for applicability to the valuation issue in the instant case. The same provided some reference values but could not be exclusively and solely relied upon. In line with the statutory sequential order of Section 25, this office conducted market inquiries under sub-Section (7) of section 25 of the Customs Act, 1969. All the information so gathered was analyzed and evaluated. Keeping all the above in view, customs values of fresh Ginger and Fresh Garlic are determined under Sub-Section(7) of Section 25 of the Customs Act,1969.

5- **Customs values for Fresh Ginger and Fresh Garlic – hereinafter specified** shall be assessed to duty/taxes at following minimum Customs Values:-

S. No.	Item Description	PCT Code	Proposed PCT for WeBOC	Origin	Customs Value C&F (US\$/Kg)
(1)	(2)	(3)	(4)	(5)	(6)
1.	Fresh Ginger	0910.1100 0910.1200	0910.1100.1000	China	0.90
			0910.1200.1000		
			0910.1100.1100 0910.1200.1100	Indonesia/ Vietnam/Myanmar	0.80
			0910.1100.1200 0910.1200.1200	Thailand	0.625
2.	Fresh Garlic	0703.2000	0703.2000.1000	China	1.20

6- In cases where declared / transaction values are higher than the Customs values determined in this Ruling or higher evidential data is available of stipulated period of 90 days, the assessing officer shall apply those values in terms of Sub-Section 25(1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account the differential between air freight and sea freight while applying the Customs values determined in this Ruling.

7- **Validity of this Valuation Ruling:** The values determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Section (4) of Section 25A of the Customs Act, 1969.

8- **Revision of the value determined vide this Valuation Ruling:** This Valuation Ruling is appealable under the law and a revision petition may be filed against this Ruling, under Section 25D of the Customs Act, 1969, within 30 days from the date of issue of this ruling before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

9- The Collectors of Customs may kindly ensure that the values given in the Ruling for the given description of goods are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of the Directorate General immediately.

10- *This ruling supersedes Valuation Ruling No. 1486/2020 dated 13-11-2020.*

(Syed Fawad Ali Shah)
