**DETERMINATION OF CUSTOMS VALUES OF PRINTED CIRCUIT BOARD  
UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969.**

**(VALUATION RULING NO 1782/2023)**

No. Misc/1/2013-VII /1542

Dated: 26-05-2023

In exercise of the powers conferred under Section 25A of the Customs Act, 1969, the Customs values of Printed Circuit Board are determined as follows:

2. **Background of the valuation issue:** Earlier, customs values were determined and notified vide Valuation Ruling No.1425 dated 06-11-2019. The said Valuation Ruling was more than 3 years old and prices of the said goods have considerably changed in the international market. Therefore, an exercise has been undertaken by the Directorate to determine the same.

3. **Analysis / Exercise done to determine Customs values:** Meetings were convened on 26-01-2023 and 09-02-2023. The relevant stakeholders attended the meetings and discussed the items pertaining to the valuation of subject goods. Ninety (90) days' clearance data has been retrieved and the same has been scrutinized. Subsequently, market inquiry has been conducted and examined in the light of this Directorate's Office Order No. 17/2014 dated 19-03-2014 and in terms of Section 25(7) read with Section 25 (9) of the Customs Act, 1969.

4. **Method(s) adopted to determine Customs values:** Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to wide variation of values in import data. Moreover, the requisite information under law was not available to arrive at correct transaction value. Therefore, identical goods value method provided in Sections 25(5) was examined for applicability to determine customs values of subject goods but the same could not be solely relied upon due to absence of absolute demonstrable

evidence of quantities and qualities. Then, similar goods value method provided in section 25(6) ibid was examined for applicability to determine customs values of subject goods. However, the same also could not be solely relied upon due to the afore-stated reasons. In line with statutory sequential order of Section 25 of the Customs Act, 1969, this Directorate conducted market survey under sub-Section (7) of Section 25 of the Customs Act, 1969. Various markets were checked to observe the actual prices of Printed Circuit Board. On the basis of available data / information collected and exercise conducted, the values of subject goods have been determined under sub-Section (7), read with sub-Section (9) of Section 25 of the Customs Act, 1969.

5. **Customs values of Printed Circuit Board: hereinafter specified** shall be assessed to duty / taxes at following Customs Values:
