No. Misc/28/2016-VII/Dir-28.

Dated: 24-06-2026

VALUATION RULING NO. 2096 / 2026

1. This Ruling shall be applicable until the same is rescinded or revised in terms of sub-section (4) of Section 25A of the Customs Act, 1969.
2. The revision petition against this Valuation Ruling can be filed under Section 25D of the Customs Act, 1969, within 30 days before the Director General, Customs Valuation.

Subject: **DETERMINATION OF CUSTOMS VALUE OF SUBMERSIBLE MOTORS UNDER SECTION 25A OF THE CUSTOMS ACT, 1969.**

1.	Valuation Ruling	This ruling supersedes Valuation Ruling No. 1869/2024 dated 02.04.2024.
2.	Date of meeting with stakeholders	The meetings with relevant stakeholders were conducted on 20.05.2026 & 11.06.2026.

Background: Earlier, the Customs values of Submersible Motors were determined under Section 25A of the Customs Act, 1969 vide Valuation Ruling No. 1869/2024 dated 02.04.2024. The Directorate received a representation from M/s. Komax Private Limited for revision of existing values of Submersible Motors. Accordingly, the Directorate initiated an exercise for re-determination of customs values of the subject goods covered under the aforesaid valuation ruling. Meeting notices were issued to all relevant stakeholders to address their grievances.

2. **Analysis / Exercise done to determine Customs Values:** Meetings for determination of customs values were held on the aforementioned dates, which were attended by the relevant stakeholders. The viewpoints of the participants were heard in detail and the stakeholders were requested to submit documentary evidence to substantiate their contentions. For determination of customs values of the subject goods, ninety (90) days' import data was retrieved and thoroughly scrutinized in light of the information received from stakeholders. Subsequently, market enquiries, as envisaged under sub-section (7) of Section 25 of the Customs Act, 1969, were conducted and examined in accordance with this Directorate's Office Order No. 17/2014 dated 19.03.2014.

3. **Method (s) adopted to determine Customs values:** Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to absence of information as required under sub-section (2) of Section 25 of Customs Act, 1969. Accordingly, Identical valuation method and Similar Valuation method as provided under Section 25(5) and 25(6) were considered. However, it was found that the same could not be relied upon due to absence of absolute demonstrable evidence of quantities and qualities. Moreover, Declared Values (DV) of similar goods showed consistent variations. Hence, this method was also found inapplicable. A market enquiry, as envisaged under sub-section (7) of Section 25 of the Customs Act, 1969, was also conducted in accordance with the procedure laid down in Office Order No. 17/2014 dated 19.03.2014. Consequently, customs values of Submersible Motors have been determined under Section 25(7) of the Customs Act, 1969.

4. **Customs values for Submersible Motors** hereinafter specified shall be assessed to duty / taxes at the following Customs values.
