| 2. | Date of meetings with stakeholders | The meetings with relevant stakeholders were conducted on 27.05.2024. |

Background of the Issue: In pursuance of analysis of import data, current market trends, the difference in market prices and customs values, an exercise for the re-determination of customs values of subject goods was initiated under Section 25 and 25A of the Customs Act, 1969.

The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable as declared values do not correspond to market prices. The values of identical and similar goods as per sections 25 (5) & (6) ibid could not be solely relied upon due to absence of absolute demonstrable evidence of qualities and quantities of commercial level etc. A market enquiry as envisaged under Sub-Section (7) of Section 25 of the Customs Act, 1969 was conducted as per procedure of Office Order No. 17/2014 dated 19-03-2014. Various wholesale and retail markets were visited and the actual prices of subject goods were acquired and by adjusting the amounts of profits. Finally, clearance data of similar / identical goods, market information from surveys, online information as well
