VALUATION RULING NO. 1953 / 2025

1. This Ruling shall be applicable until the same is rescinded or revised in terms of sub-section (4) of Section 25A of the Customs Act, 1969.
2. The revision petition against this Valuation Ruling can be filed, under Section 25D of the Customs Act, 1969 within 30 days before the Director General, Customs Valuation.
3. The values in valuation ruling shall be applicable to the given description and specification of goods.

Subject: DETERMINATION OF CUSTOMS VALUE OF AIR CONDITIONERS UNDER SECTION 25A OF THE CUSTOMS ACT, 1969.

1.	Valuation Ruling	Re-determination of Valuation Ruling No. 1053/2017 dated 23.02.2017 and 1178/2017 dated 09.06.2017
2.	Date of meetings with stakeholders	The meetings with relevant stakeholders were conducted on 02.12.2024 and 09.01.2025

3. **Background of the Issue:** The Directorate General of Customs Valuation Karachi received representation to review the values of Air Conditioners. Further, recommendations were received on 13.12.2024 from Federal Tax Ombudsman regarding completion of already initiated process for issuance of afresh Valuation Ruling of Air Conditioner and submission of compliance report within 30 days. Therefore, keeping in view the above facts and in pursuance of analysis of import data, current market trends, the difference in market prices and customs values, an exercise for the determination of customs values of subject goods was initiated under Section 25 and 25A of the Customs Act, 1969.

4. **Analysis to determine Customs Values:** During the exercise, the stakeholders argued that the current customs values for air conditioners are inflated and should be revised to reflect the latest technology of the products. The issues pertaining to the valuation of subject goods were deliberated upon in detail in the afore-referred meeting. Ninety (90) days' clearance data has been retrieved and the same has been scrutinized. Subsequently, market inquiry had also been conducted and examined in the light of this Directorates Office

Order No. 17/2014 dated 19-03-20214 and in terms of Section 25 (7) of the Customs Act, 1969.

5. **Method(s) adopted to determine Customs values:** To determine the transaction value of goods, the valuation methods, provided in Section 25 of the Customs Act, 1969, were applied in sequential order. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable as declared values did not correspond to market prices. Similarly, the data of identical and similar goods as per sections 25(5) & (6) ibid provided some references of demonstrable evidence of qualities and quantities of the same commercial level; however, it could not be solely relied upon. Meanwhile, a market inquiry as envisaged under Sub-Section (7) of Section 25 of the Customs Act, 1969 was also conducted as per procedure of Office Order No. 17/2014 dated 19-03-2014 wherein various markets were visited and the actual prices of subject goods were acquired. As a result, after adjusting the amounts of profits, the C&F value was determined under Section 25(7) of the Customs Act, 1969 further read with relevant Customs Rules, 2001, which are as under:

6. **Customs values of Air Conditioners:** - In view of above the transaction value of the Air Conditioners hereinafter specified in Annex-A, Annex-B and Annex-C shall be the Customs value for assessment of duty & taxes given against them.

7. In cases, where declared values or values in invoice retrieved from the consignment, as the case may be, are higher than the customs values determined in this valuation ruling, the assessment shall be made on higher values in terms of sub-section (1) of Section 25 of the Customs Act, 1969.

8. In case of consignments imported by air, the difference between air freight and sea freight shall be added for the assessment of value.

9. The VR shall be applicable for the description and specifications of goods as mentioned in the aforementioned table. HS Codes are mentioned for illustrative purposes.

10. The Collectorates of customs shall ensure the implementation of VR and in case of any anomaly may be brought to the notice of this Directorate immediately.
